Great Customer Service Posted on 14 May by [Lyndsey](#)

I purchased 2 Western Digital Scorpio Blue WD1600BEVT 160GB hard drives. Ended up not being able to use them due to they did not fit laptops, (I was given incorrect information by laptop manufacturer). Newegg customer service was awesome in helping me return the hard drives to them. I have always use Newegg for my computer needs and will continue to do so! I suggest to every one go to Newegg they have best prices and quality and now will add in awesome customer service!

Great Customer Service Posted on 14 May by Lyndsey

I purchased 2 Western Digital Scorpio Blue WD1600BEVT 160GB hard drives. Ended up not being able to use them due to they did not fit laptops, (I was given incorrect information by laptop manufacturer). Newegg customer service was awesome in helping me return the hard drives to them. I have always use Newegg for my computer needs and will continue to do so! I suggest to every one go to Newegg they have best prices and quality and now will add in awesome customer service!
